

05 DISHWASHING LIQUID GREEN APPLES ULTRA SHINE

DESCRIPTION

Ultra Shine Dishwashing Liquid out-performs other dish soaps with tough, cleaning power and long lasting suds. It easily cleans tough foods and cuts grease on delicate china or heavy-duty pots and pans, then rinses effortlessly and completely. Plus, our formula is kind to sensitive skin and is the safest, most cost effective, most environmentally responsible product on the market.

Don't let your hands suffer, while doing dishes! Cleantech Products Liquid Dish Soap is just as gentle on your hands as it is on the environment. The gentle, long lasting suds cut through the toughest grease and stuck-on foods to get all of your dishes sparkling clean with just a few drops. Cleantech Products Liquid Dish Soap has a neutral pH that is non-corrosive and non-irritating - especially formulated for hand washing all dishes, glasses, crystal, flatware and cookware.

DIRECTIONS FOR USE

Dishwashing Liquid: Dispense the detergent into your wash basin and start filling the basin with warm water. One teaspoon of detergent (about one firm brief squeeze) is sufficient to start with. Mix the water around to work up some suds, and then start washing your dishes. It is most economical to use small amounts of detergent and add more detergent when the suds are almost gone.
